Subject: 2006 Juvenile Accountability Block Grants (JABG) Funding

The Corrections Standards Authority (CSA) is pleased to announce the federal JABG funding for fiscal year 2006/2007. The federal Office of Juvenile Justice and Delinquency Prevention has posted the JABG funding for California, including the direct allocations for 39 jurisdictions. There has been a decrease in the funding level once again, although slight in comparison to last year.

Included with this letter is a funding chart identifying the jurisdictions that are eligible to receive a direct funding allocation. If a jurisdiction does not meet the \$10,000 minimum funding threshold for a direct allocation, it will not appear on the chart. For those jurisdictions meeting the threshold, you will be notified when the application packet is available, including the timeline to prepare your documents. The funding cycle for this program is a 12-month period beginning July 1, 2006 and ending June 30, 2007.

As in previous years, a qualifying unit of local government may waive its right to a direct subgrant award and request that the funds be awarded to, and expended for its benefit by, a larger or contiguous unit of local government.

If you have any questions regarding this funding notice, please contact the JABG Coordinators – Leslie Heller (916/323-8618; leslie.heller@cdcr.ca.gov) or Mike Barber (916/445-5792; mike.barber@cdcr.ca.gov).
